

Fawry Obtains Third-Party Administrator (TPA) License in Egypt Through “Treemed TPA” to Launch Fawry Healthcare

10 May 2026 – (Cairo, Egypt) – Fawry for Banking Technology and Electronic Payments S.A.E. (“Fawry”), Egypt’s leading fintech platform, today announced that it has obtained a Third-Party Administrator (TPA) license in Egypt through its healthcare subsidiary, “Treemed TPA,” marking a significant milestone in the company’s expansion into the healthcare ecosystem under the brand “Fawry Healthcare.”

The newly licensed entity, Treemed TPA, will operate as the backbone of Fawry Healthcare, enabling the company to deliver integrated healthcare management and administration services. Through this strategic move, Fawry aims to bridge gaps between patients, healthcare providers, insurers, and corporates by leveraging its robust technology infrastructure and nationwide network.

Fawry Healthcare will focus on offering a comprehensive suite of services, including claims management, provider network administration, digital healthcare payments, and value-added services that enhance patient access and affordability. The platform is designed to streamline healthcare operations while improving transparency, efficiency, and user experience across the ecosystem. In addition, it will leverage advanced digital technologies and data analytics to strengthen fraud detection and prevention, minimize claims leakage, and support more accurate, real-time decision-making across the healthcare value chain.

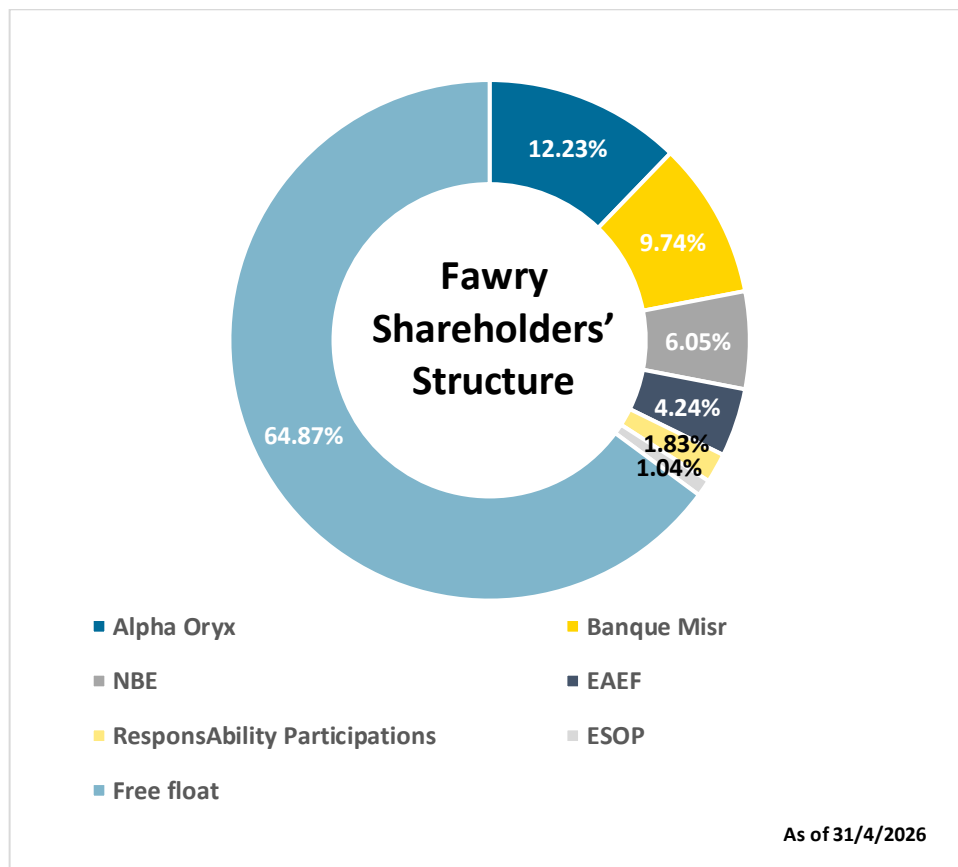

The move aligns with Fawry’s broader vision to digitize critical services and build integrated platforms that serve both individuals and enterprises. By entering the TPA space, Fawry is well-positioned to capitalize on the growing demand for efficient healthcare administration solutions in Egypt.

Fawry Healthcare will leverage the company’s existing partnerships and infrastructure to rapidly scale its provider network and offer seamless digital experiences for all stakeholders, supporting Egypt’s ongoing healthcare transformation efforts.

Eng. Ashraf Sabry, Chief Executive Officer of Fawry, commented: “This license marks a pivotal step in our strategy to expand beyond payments and become a key enabler across essential sectors. With Treemed TPA and the launch of Fawry Healthcare, we are bringing our digital capabilities into the healthcare space to simplify processes, reduce inefficiencies, and improve access to quality services for millions of Egyptians.”
